

MOUNTAIN VIEW REGIONAL WASTE MANAGEMENT COMMISSION
(THE "COMMISSION")

BYLAW No.02 -15

WHEREAS pursuant to the provisions of the Act, the Board of the Commission may pass Bylaws respecting the provision of the Commission's services and governance of the administration of the Commission; and

NOW THEREFORE the Board enacts the following:

The rates and fees to be charged to the Members and customers of the Commission for the provision of the waste management services shall be charged on a per tonnage and/or per capita basis for waste treatment and disposal services, calculated as follows:

1. The fees charged shall be assessed on the basis of determining the Commission's full cost of recovery for the delivery of these services, less any grants, transfers from accumulated surplus funds or reserves or any other revenue;
2. The fees charged by the Commission for waste treatment and disposal services provided to those residents who do not reside within one of the municipal members of the Commission, shall be determined by the Board from time to time; and
3. The fees shall be set annually by the Board of the Commission at the same time as the annual operating budget and annual capital budget for the Commission is approved of by the Board of the Commission.
