

## Helping in the Community June 2014

Thanks to our great staff/volunteers: Pat Sliworsky, Deputy CAO - Operations Manager; Nikki Therrien, Finance Manager; and Lee Jones, Volunteer. They went to Sundre on June 14 to BBQ food for the community during their "Kick it to the Curb" campaign. The same three volunteered their energy to assist the community members pedal the "Big Bike" for Heart & Stroke around Sundre.
