

NOXIOUS WEED BINS AVAILABLE

Have noxious weeds?

To assist in their disposal, Mountain View Regional Waste Management Commission, in partnership with MVC Agricultural Services, has provided bins at four locations around Mountain View County.

Bins are located at: The Olds Transfer Station, Sundre Transfer Station, Didsbury Landfill and the Water Valley Transfer Station.

For more information on the bins, noxious weeds or proper disposal, contact Agricultural Services at 403-335-3311 or visit our information page at mountainviewcounty.com/weeds.
