

Mountain View Regional Waste Management Commission Policy

	Policy No: 06-14
Policy Title: CLEAN FILL	Effective Dates: February 24, 2014
Rescinds:	Page 1 of 1

POLICY OBJECTIVE:

1. To ensure that any waste that may have long term impact on the Commission and its facilities, are subject to environmental, engineering and regulatory due diligence before they are accepted for handling and disposal.

POLICY STATEMENT:

1. The Didsbury Regional Landfill will accept Clean Fill subjected to Federal, Provincial and Municipal governing regulations in force by the Environmental Protection and Enhancement Act.
2. The hauler of Clean Fill will be required to place the soil in a designated area. The Didsbury Regional Landfill will accept soil free of contaminants, contaminants being hydrocarbon contaminated soil, or soil with foreign matter.
3. Any costs associated with treating contaminated soil or removing debris will be the waste haulers responsibility.

BACKGROUND:

1. The Didsbury Regional Landfill will accept Clean Fill as per current fee schedule.

RESPONSIBILITIES AND AUTHORITIES:

1. The waste hauler must inform the scale operator they are hauling Clean Fill.
2. The waste hauler will be required to dispose of the material in the designated area.
3. The CAO or designate will inspect the load for any contaminates.
4. The CAO shall be responsible for enforcing this Policy.
5. The CAO shall be responsible for updating and reviewing this Policy.
