

Mountain View Regional Waste Management Commission Policy

	Policy No: 17-14
Policy Title: METALS	Effective Dates: February 24, 2014
Rescinds:	Page 1 of 1

POLICY OBJECTIVE:

1. To ensure that any waste materials that may have long term impact on the Commission and its facilities, are subject to environmental, engineering and regulatory due diligence before they are accepted for handling, recycling and disposal.

POLICY STATEMENT:

1. The Mountain View Regional Transfer Stations will accept metals subjected to Federal, Provincial and Municipal governing relations in force by the Environmental Protection and Enhancement Act.
2. The hauler of metal will be required to place the metal in a designated area.
3. Any costs associated with sorting the metal from contaminates will be charged to the hauler.

BACKGROUND:

1. The Mountain View Regional Transfer Stations will accept all metal as per current fee schedule.

RESPONSIBILITIES AND AUTHORITIES:

1. The waste hauler must inform the scale operator they are hauling metal.
2. The waste hauler will be required to dispose of the material in the designated area.
3. The site operator will inspect the load for any contaminates.
4. The CAO shall be responsible for enforcing this Policy.
5. The CAO shall be responsible for updating and reviewing this Policy.
