

# Mountain View Regional Waste Management Commission Policy

|                     |                                    |
|---------------------|------------------------------------|
|                     | Policy No: 25-14                   |
| Policy Title: TIRES | Effective Dates: February 24, 2014 |
| Rescinds:           | Page 1 of 1                        |

**POLICY OBJECTIVE:**

1. To ensure that any waste materials that may have long term impact on the Commission and its facilities, are subject to environmental, engineering and regulatory due diligence before they are accepted for handling, recycling and disposal.

**POLICY STATEMENT:**

1. The Mountain View Regional Transfer Stations will accept tires subjected to Federal, Provincial and Municipal governing relations in force by the Environmental Protection and Enhancement Act.

**BACKGROUND:**

1. The Mountain View Regional Transfer Stations will accept all rimless vehicle tires.

**RESPONSIBILITIES AND AUTHORITIES:**

1. The waste hauler must inform the scale operator they are hauling tires.
2. The waste hauler will ensure the tires are free of rims prior to disposal in the designated area. The site operator will inspect the load for contaminants.
3. The Mountain View Regional Transfer Stations will encourage waste generators to divert their tires to a tire recycler.
4. The CAO shall be responsible for enforcing this Policy.
5. The CAO shall be responsible for updating and reviewing this Policy.
